

# TRANSLATORS WITHOUT BORDERS GLOSSARY APP

The TWB Glossary App is a free mobile application, available for **Android** and **iOS**, that allows any field worker responding to the refugee crisis in Greece to access the TWB language glossaries.

## Features

- Browsing and searching key humanitarian terms
- Listening to the pronunciation of a term (available online only)
- Viewing the terms in one single list in alphabetical order or by domains
- Suggesting new terms (subject to TWB approval)

## Languages

- Farsi/Dari
- Arabic
- Kurdish Sorani
- Kurdish Kurmanji

## How to download the app

1

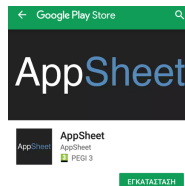

Click on the link & Choose your language

- Farsi
